I was born in Sri Lanka and moved, with my parents, to the UK at a very young age.

During my Civil Service career, (spanning over 37 years), I worked as a Senior Manager in several challenging roles in numerous Government Departments.

In June 2019 I moved with my husband to Sherford. Following this move, I helped to set up a weekly club for those over 50, to give people a place to meet and make friends. I have also joined the Sherford Community Land Trust Residents' Panel whose aim is to engage with the community and organise events.

I am very committed to listening to residents and helping them where I can. I not only hope to be part of the development of Sherford, but its integration into the wider Brixton community.

In my spare time, I enjoy playing 'modern' board games. I am also interested in American and English Football, supporting the Cincinnati Bengals and Newcastle United.
