Aim

To support parishioners of Brixton Parish during the cost-of-living crisis by providing information and practical support, and to complement any existing support from within the parish and beyond.

Tasks

- i. To provide information to all households about advice and information available locally through a leaflet delivered to households.
- ii. To set up a Community Help Box with essential hygiene products
- iii. To provide a warm hub on agreed days at 'The Foxhound'
- iv. To apply for funding to relevant bodies
- v. To report back regularly to the relevant groups on progress
- vi. To monitor and regularly review the progress and impact of i-iii above and make appropriate changes
- vii. To continue to apply for funding where/when relevant - all monies will be held by Brixton Parish Council and will be updated at the monthly Parish Council meetings
- viii. To review the whole project by the end of March 2023 to identify the need to continue or develop existing and /or new services
- ix. To liaise and coordinate with other local cost of living crisis initiatives.

Meetings

The project group will meet regularly and communicate by email

Reporting

Representatives will regularly report back to their respective organisations
